

## Mick Molloy

Comedian/Broadcaster/Writer/Actor

Mick is one of Australia's most recognised comedians. An actor, writer and producer, Mick combines the scruffy appeal of a laid back larrikin and the acid tongue of the world's toughest critic. This combination has proved successful both in terms of Mick's significant box office appeal as a writer/performer and in relation to the accolades he has received within the industry.

***"Professional, hilarious, fun, energetic and we always get much more than we bargained for - he over delivers in every sense of the word. I have nothing but great things to say about Mick." - Kelly Addis, CEO, BoilerRoom Group***

Mick is known on Australian television for his success as a member of *The D-Generation* and writer and performer for *The Late Show* on ABCTV; in which he directed many of his own segments.

He has made special guest appearances in *Kath and Kim*, a regular guest panelist on *The Panel* (for the life of the program) and he wrote, produced and presented his own television show on the Nine network entitled *The Mick Molloy Show*.

***"Mick was fabulous! I never imagined Lawn Bowls could be so entertaining! As our roving MC he was brilliant and exceeded our expectations. Hilariously funny and made the event a huge success." - Kirsten Neilson, Savi World Transport Pty Ltd***

Mick is also one of Australia's most accomplished radio performers. His program *ToughLove* was broadcast to a national audience via the Austereo network. Prior to this, Mick hosted the national phenomenon that was the radio program *Martin/Molloy*. It aired on 54 stations throughout Australia and is still one of the most successful programs ever to be broadcast in Australia; it revolutionised the importance of the drive time slot in Australian radio.

Currently Mick is co-hosting Network 10's successful AFL show *Before The Game*, with Eddie McGuire on Melbourne's Triple M Breakfast Show *The Hot Breakfast*, and regularly tours his stand up with Glenn Robbins and Jeff Stilson.

***"Mick Molloy was the MC of our awards night and he was just fabulous. Mick was professional, very funny, flexible, easy to work with and the audience young and old just loved him. He exceeded my expectations" - Australian Catalogue Association, Catalogue Awards Night***
