

## Tony Moclair

### Comic Writer/Performer/Broadcaster

Writer, Performer and Broadcaster Tony Moclair's career spans 17 years in the entertainment industry. Best known for his character creations and un-canny ability to mimic political and social headline-makers, he has also co hosted top rating radio shows (Triple J, Nova, Triple M), written and performed on popular TV quiz and variety shows ( including *The Einstein Factor*, *The Panel* and Glenn Robbin's *Out of the Question* ), was a cast member of ABC's *The Librarians 3*, has two platinum selling comedy albums and performed in sell out comedy festivals.

Tony is the creator and voice behind some well-known radio characters including Guido Hatzis (for which he and co-creator Julian Schiller produced 3 top selling CD's ( twice platinum ) and won two ARIA awards). He is also creator and voice of Young Liberal, Stirling Addison, who co-hosts controversial talk show *Restoring the Balance* on Triple J. Other characters include Gen Y radio star DJ Domm, Bill the Kiwi Social Worker and patriotic talkback host Carlton J Kennedy and his larger than life characterisation of actor Tom Cruise that became a fan favourite on Nova and Triple M.

Amongst his busy media commitments, Tony maintains a keen interest in aviation and modern military history, and has contributed articles published in such magazines as *Australian Aviation*.
